

Gift of truth

Give me the gift of truth
like you did before
the gift of truth and nothing else
i won't ask for more

Give me your secret thoughts
show them all to me
your secret thoughts - reveal them all
show me what you feel

Chorus:

Let it live, let it grow
till it's more than we know
forget about today and tomorrow
and all your sorrows

Give me the light of peace
let it shine on me
the light of peace is all i crave
all i ever need

Give me your secret thoughts
show them all to me
your secret thoughts - reveal them all
show me what you feel

Chorus:

Let it live, let it grow
till it's more than we know
forget about today and tomorrow
and all your sorrows
